Hack Rice 2015

RMC Grand Hall Jan 30 - Feb 1

hack.rice.edu

About

We, the Rice Computer Science Club are happy to announce Rice's fourth annual 24-hour hackathon. Three years ago, under the planning of a single student and in the confines of a college commons, the hackathon began. Since then the hackathon has steadily grown. We have seen attendance and prizes double each year, and last year we saw the first invitation to non-Rice students. This year we are aiming for 250+ attendees and $10,000+ in prizes.

Sponsorship

In order to make the event possible, we need your help! Through sponsorship your company can:

- Send employees as mentors
- Pitch your company and give tech talks
- Send company swag

For the finer details, refer to the table on the next page.
